ABOUT ME

Media planner with over 15 years of experience managing OOH and DOOH campaigns across Latin American markets. Skilled in media strategy, analytics, and client relations, with a strong ability to connect insights to measurable results.

Now based in Utah, I am expanding my knowledge in programmatic advertising and digital analytics, focused on growing into the U.S. market and bringing fresh, data-driven solutions.

EDUCATION

Entrepreneurship Certificate, 2026.

Weber State University, Ogden, Utah.

Bachelors Degree in Marketing and Advertising, 2006.

Universidad Dr. Rafael Bellosó Chacín (URBE), Maracaibo, Venezuela.

JOB EXPERIENCE

LATCOM, Media Planning Coordinator | Argentina

BUENOS AIRES, Argentina. May 2021 – July 2023

- Led the media planning team of 10+ planners and assistants, coordinating multi-market OOH and DOOH campaigns.
- Designed and executed media strategies for top international brands across transit, malls, airports, and digital billboards.
- Negotiated vendor contracts and partnerships, optimizing costs and increasing campaign efficiency.
- Supervised implementation processes using advanced company tools, ensuring accuracy and performance.
- Recognized for strong team leadership and ability to connect insights with measurable business results.

LATCOM, Strategic Development Analyst | USA, LATAM and Europe

VICENTE LOPEZ. BUENOS AIRES. Oct. 2015 – April 2021.

- Designed and executed strategic OOH/DOOH plans for clients operating in the U.S., LATAM, and European markets.
- Developed regional growth strategies and expanded coverage to 4+ new LATAM markets.
- Collaborated with multinational clients and global media partners, ensuring consistency across regions.
- Delivered analytical reports, market research, and economic projections to support executive decisions.
- Partnered with Market Managers, Systems, and Design teams to integrate campaigns seamlessly.
